# Come and See

Overview of the Year 2017-2018

(This is a suggested overview of the year. Dates are not included as there is variation among local authorities.
It is suggested that 4 weeks are spent on each topic, but again this will depend on term length. Please personalise this for your school.
A week on Judaism has been included in the Autumn term and a week on Islam in the Spring term, but this may be adjusted by schools.)
