

It is becoming more likely that the government will close schools for a period of time to tackle the on-going world health problem of the Coronavirus.

We will ensure every effort is made to keep all of our children up to date with their learning.

It is not ideal with SATS (Year 2 and Year 6) only weeks away, but we will do our very best to continue to support our children. We are not sure what will happen with SATS and will inform you when we hear of any changes if any.

Staff will upload work for children in all classes on our school website on Curriculum page and through class blogs on class blog pages.

We also have collated a list of web pages that parents and carers can use to support their children's learning.

Thank you for your support in this developing situation – please rest assured we are doing our very best in a difficult time.

Take care and please keep in touch with any issues or concerns you may have.
